

Front Linkage Kits with quick attach "A" frame

FKHB-KUB-G23-26

Hydraulic lift, for manual angling
For snow blade only

FKDR-KUB-G23-26

Hydraulic lift, for hydraulic angling
Includes sweeper/spreader drive and spool valves

Attachments

Snow Plough 135cm x 45cm
(Manual Angling)

Snow Plough 135cm x 45cm
(Hydraulic Angling)

Snow Plough 135cm x 60cm
(Hydraulic Angling)

Sweeper 135cm x 37cm

Hydraulic Drive
Manual Angling,
Hydraulic Angling,
Hydraulic Collector
Side Gully Brush

Spreader

Includes rear quick attach linkage kit

Hydraulic Drive
70 Litre Capacity
0.5-4 metre spread width
Suitable for free flowing sand, grit and salt. Damp material agitator and hopper cover available.
(Requires front linkage kit with hydraulic drive to power it - see above)

Front Linkage and attachments For Kubota G23 and G26

Snow Blade

Sweeper attachment (collector available)

70 litre Salt, Sand & Grit Spreader

Hydraulic Spool Valves

Kubota G23 & G26 Front Linkages and Attachments

Kersten offers a range of robust attachments for the clearance and collection of debris from a variety of surfaces including roads, yards, tennis courts, factories, synthetic sports surfaces and even grass. Efficient collection may be made using the easy to empty collector box and the side gully brush looks after the edges. A water sprinkler system can be fitted for use in dusty conditions. The hydraulic operation means maintenance is kept to a minimum and hydraulic lift and angling can be added for ease of operation.

Snow can be cleared using the brush or a snow blade and slippery surfaces dealt with using the salt, sand and grit spreader. The sweeper can deal with material up to about 6cm and the snow blade is suitable for quantities above this.

LINKAGES

FKHB-KUB-G23 26	Front linkage kit for the front of ride-on mowers including Quick attach implement hitch, Hydraulic implement lift/lower. This plumbs in to the deck lift oil circuit. This is only suitable for snow plough SCHN-L1355 FK-KUB	£1050.00
FKDR-KUB-G23 26	Front linkage kit for the front of ride-on mowers including Quick attach implement hitch, hydraulic implement lift/lower, hydraulic service for implement angling and hydraulic service with variable flow control to operate front sweeping machine or rear spreader.	£1450.00
SCHN-L 1355 FK-KUB	Snow Plough 130cm x 45cm. Quick attach "A" frame, manual angling left and right, rubber edge, spring cushion.	£1250.00
SCHN-L 1355 FK-KD	Snow Plough 130cm x 45cm. Quick attach "A" frame, hydraulic angling left and right, rubber edge, spring cushion.	£1450.00
SCHN-S 1355 FK-KD	Snow Plough 130cm x 60cm. Quick attach "A" frame, hydraulic angling left and right, rubber edge, spring cushion.	£1850.00

SWEEPER

FKM 1305 H	Sweeper. Front mounted hydraulic driven sweeper with quick attach mounting to suit FKDR front linkage. 120cm working width 37cm diameter with 5 rows of poly. 2 height adjustment wheels.	£3000.00
SSB1305 K-M ASH	130cm collector box with hydraulic emptying system	£1350.00
HZ-S-B	Hydraulic Angling	£450.00
ASM 400 1305	Gulley brush. Heavy duty 40cm, belt drive	£550.00
400 1305	Gulley brush. Heavy duty 40cm, hydraulic drive	£600.00

SPREADER

SLDST 70 A-KUB-G	Salt, sand & grit spreader with 70ltr hopper capacity and adjustable spread width 0.5 – 4.0m Rear mounted with quick attach system for use with FKDR-KUB linkage above	£1850.00
ADP-SLDST	Hopper cover	£90.00
RSL-SLDST 70	Damp Material Agitator	£110.00
